Soccer Saturday Weather Policy

If play is to be halted, you will hear three (3) blasts from an air horn. Players and spectators are to go to the shelter of their cars and wait. If the tornado sirens sound, please evacuate to a sturdy building outside the park, returning when the all clear is sounded. Play will remain stopped until the storm passes, for up to an hour if need be. The length of time is at the discretion of the tournament directors.

If play is to resume, one (1) long blast from the air horn will mean “all clear”, with play to continue. If play cannot resume, three (3) long blasts from the air horn will be sounded. If games are suspended, we will try to resume play, at the point of stoppage, at the next of these times:

- Noon Saturday, if play was suspended in the morning; or
- Noon Sunday, if play was suspended Saturday afternoon.

Please check our Facebook page at <https://www.facebook.com/OshkoshYouthSoccerClub> or “Team Reach” (see instructions for Team Reach on our Facebook page) for immediate updates. When you return to the Park, check the schedule board for any additional changes.

Note to Coaches: If the “all clear” horn is sounded, and the games are to resume, you will need to meet at the “Awards Tent” for instructions on how the tournament will be completed.
